

The American Leadership College  
Presents:

# 541: Inner Communication And Guidance

Do angels enjoy most a close camaraderie with those who chose an earth experience?

Am I open to my guides' comforting and the feeling of never being alone?

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
						<b><u>September</u></b> <b><u>25</u></b> <b>TIME: 10:00 AM</b> <b>- 6:00 PM</b>

**Where:** 127 Turtle Creek Rd, Unit 3, Charlottesville, VA 22901 **Cost:** \$80

**Pre-Requisite:** You must have experienced the **1001 Orientation Profile**

I first took Inner Communication and Guidance to find out why I didn't use my guides' help as much as I could and why I wasn't always getting clear answers from them. I got my solutions! Also by the end of the afternoon, I felt I finally knew "where I fit". I felt free to love, no longer fearing getting hurt. I've taken it several times since then, each time healing myself more. **Estelle Minor, Instructor**

## Benefits of this course:

- ◇ Become secure communicating with your inner guidance so you trust your inner resources for the rest of your life
- ◇ Explore when & how to ask, what types of questions - so you can accomplish what you desire
- ◇ Make your relationship with yourself, your loved ones and environment, healthier
- ◇ Why do I need be my own first loyalty? How do I reach the inner balance to be master of my situation?
- ◇ Leave with deeper awareness of your relationship with your spiritual helpers
