For the Grassroots

Respect. Respect for myself and others is the cornerstone of my success. I cannot give to others what I do not have already. I cannot lend anyone \$10 if I do not have it already. Let's respect ourselves more.

For the Leadership:

Communication. Communication is paramount. It is important that I express my uniqueness; that I do not hold back and miss my timing. Each time I communicate from the good, kind, loving sharing part of me, I make the world a better place.
